

Become a peer reviewer or editor of CJBPP

We invite scholars and researchers to become peer reviewers or editors for the CJBPP Journal. Your expertise will play a vital role in maintaining high standards of academic rigor and ensuring the publication of groundbreaking research of CJBPP. By joining our team, you will not only contribute to the scholarly community but also gain valuable experience in the peer review process and editorial work.

Selection Requirements:

- Academic qualifications: A Ph.D. or equivalent in a relevant field.
- Research expertise: A strong track record of research and publication in the scope and purpose of CJBPP.
- Familiarity with the peer review process: Experience in reviewing manuscripts or serving as an editor.
- Commitment to quality: A dedication to upholding the highest standards of academic integrity and objectivity.

If you meet these requirements and are passionate about promoting excellence in research, we encourage you to apply to become a peer reviewer or editor for the CJBPP Journal. Please submit your CV and a brief biography relevant to a particular research field to:
